

KS2 CANAL MANIA

Map of Black Country Canals

BLACK COUNTRY
LIVING MUSEUM

BLACK COUNTRY (Enlarged)

This is the canal area at the Black Country Living Museum and the Dudley Canal Trust.

	Canal, or river made artificially useable; later closed or extinguished		Railway interchange point
	Line of original Birmingham Canal, opened 1769-72		Date of authorising Act; limit of length authorised
	Route authorised by statute or order, but not so built		Date of opening to navigation; limit of length opened
	Proposed navigation with date, and lock positions where known		Act or order sanctioning closure, abandonment, or repeal of navigation rights**; limit of affected length
	Canal-owned tramroad; private tramroad; proposed tramroad		where not at a junction or terminus
	Lock; lock removed; staircase lock; duplicate locks; stop or stop lock		
	Bridge*; footbridge*; aqueduct; railway bridge; tunnel		
	Elevation in feet; Pumping station; toll office		
	Reservoir for canal supply; feeder; disused reservoir		
	*.Brickworks c.Coalpit or colliery g.Gasworks r.Iron or steel works		
	l.Limekiln or limeworks z.Pottery q.Quarry or pit t.Tile works		

** Most modern bridges omitted for clarity
 (a) Closure powers have not been exercised in all cases
 (b) The date given rarely coincided with physical closure
 (c) The Transport Act 1968 repealed all remaining public navigation rights on BWC canals
